

JOSHUA D. BARCOMA

+63 927 490 1420 | barcomajoshua87@gmail.com | <https://portfolio-joshua-barcoma-zuv7.vercel.app> | Gulod, Cabuyao, Laguna, Philippines

Motivated and detail-oriented technology professional with hands-on experience in web development and AI-powered applications. Proficient in frontend and backend development, database management, and API integration using Python, JavaScript, React, FastAPI, and MySQL. Adept at solving complex problems, collaborating in team environments, and delivering innovative digital solutions that enhance user experience and operational efficiency.

WORK HISTORY

Programmer <i>GLEENT INC.</i>	Jant 2026 - April 2026
- Developed and maintained web-based applications using modern frontend and backend technologies. - Designed and implemented secure authentication systems, RESTful APIs, and database solutions. - Developed and integrated AI-powered features, intelligent automation workflows, and third-party services. - Created responsive user interfaces and optimized application performance for improved user experience. - Conducted system analysis, testing, debugging, deployment, maintenance, and technical support. - Collaborated with stakeholders to gather requirements and improve system efficiency and usability. - Conducted training sessions in graphic design, video editing, and digital content creation. - Assisted students in developing technical and creative skills through hands-on activities.	

PROJECT HISTORY

AI-Powered Crop Disease Detection Application <i>Technologies:</i> Flutter, SQUte, OpenCV, TensorFlow Lite	2024-2025
- Developed an offline AI-powered crop disease detection system. - Implemented machine learning integration for disease identification. - Designed a mobile-friendly Interface for farmers and end-users.	
School RFID System <i>Technologies:</i> Flutter, SQLite, RFID, SMSIntegration	2024
- Developed an RFID-based attendance monitoring system. - Implemented SMS notifications for attendance updates. - Assisted in database design and system Integration.	
Interactive Portfolio Website <i>Technologies:</i> Next.js_, React.js, Tailwind CSS, Firebase	2025
- Built a responsive portfolio website. - Implemented interactive UI components and animations. - Integrated Firebase services for deployment and hosting.	

EDUCATION

Bachelor of Science in Information Technology Trinidad Municipal College Cabuyao City, Laguna	2022-2026	Secondary Education Gulod National High School Cabuyao City Laguna	2016-2021
Senior High School CITI GLOBAL COLLEGE Cabuyao City, Laguna	2021-2022	Primary Education Gulod Elementary School Cabuyao City, Laguna	2010-2016

SKILLS

- Programming Languages: JavaScript, Typescript, Python, PHP - Frontend Development React.js, HTML5, Tailwind CSS - Backend Development Node.js, Express.js, Flask, FastAPI, REST APIs	- Database Technologies: MySQL, PostgreSQL - Tools & Platforms; Git, GitHub, Docker, Firebase, Figma, VS Code - Ai Automation: AI Agents, Prompt Engineering, Semantic Memory Systems, AI Workflow Integration
